

## Audrey Couch

***Consultant Radiologist (b 1927; q Liverpool 1953), died from old age on 20<sup>th</sup> September 2017***

Audrey qualified at Liverpool University in 1953. After House Officer posts in the United Liverpool Hospitals she enrolled in the Radiology training programme under the direction of Dr P H Whitaker.

She qualified DMRD and then the FRCR in 1963.

When the Royal Liverpool Hospital opened in 1978 she joined the Radiological Department and remained until retirement.

Her husband Gerrard, a Mersey River Pilot pre-deceased her and having no close family she found life difficult.

Audrey was a loyal supporter of the Liverpool Medical Institution and Retired Members Group.

Her friends and carers supported her in her final months.
