

# North West TB Conference

Thursday 4 March 2021

This year's conference will be hosted by Liverpool Medical Institution but will be entirely virtual (using Zoom) and will feature a whole day of diverse and stimulating talks for everyone involved in TB care, especially trainees

- Working in TB abroad – a seminar featuring global specialists
- New Country, New TB. TB and migration in 2021
- The real cost of TB to patients
- Ocular TB: an introduction and new guidelines
- TB in children, NW Paediatric TB network
- Clinical audit
- Complex case MDT

## Provisional programme

- **Clinical Audit: non-tuberculous mycobacteria in Liverpool.** Kate Haigh, SpR in Infectious Diseases, Royal Liverpool University Hospital
- **Ocular TB. What is OTB and how should we diagnose and treat it?** An introduction to OTB. Nicholas Beare, Consultant Ophthalmologist, Royal Liverpool University Hospital
- **The new British Thoracic Society Clinical Statement on OTB.** Thomas Gorsuch, Consultant Respiratory Physician, Manchester Royal Infirmary
- **Working in TB abroad – a global seminar.** TB professionals around the world to inspire your next career move
- **NW Paediatric TB Network and Virtual Clinic – an update.** Louise Turnbull, Paediatric Respiratory Consultant, Royal Manchester Children’s Hospital
- **New country, new TB. TB and migration in 2021.** Jessica Potter, Consultant in Respiratory Medicine, North Middlesex University Hospital, London
- **Counting the cost of TB.** Fatima Karmadwala, MSc student, Liverpool School of Tropical Medicine
- **Complex case MDT.** Our expert panel will discuss complex cases in this popular session, back by popular demand.

RCP CPD approval applied for Programme subject to change
