

Liverpool's Medical Community

Call for participants in historical research study

You are invited to contribute your experiences to a PhD project at the University of Liverpool investigating the practice of medicine in the Liverpool region since 1930.

The research considers the evolution of medical education, primary and secondary care, and the institutions and services in Liverpool.

Did you qualify in Liverpool?

Have you worked/ do you work in the region?

Would you like to share your views on the profession and how it has changed?
